

Ohio Music Educators Association
Large Group Adjudicated Event
March 9th or 10th, 2012
HELD AT LAKE HIGH SCHOOL

Dear Minerva HS Band Parents,

In a mere nine weeks, your sons and daughters will be performing before a panel of judges at Lake High School. These judges are professional music educators and will be providing constructive criticism as well as a rating to reflect how well the band played. The Minerva High School Symphonic Band has a long history of Superior and Excellent ratings at such events, but we cannot continue this tradition without everyone's continued participation.

Please reserve March 9th and 10th on your calendars today. Closer to the performance date we will receive word of our exact performance time and date. This information will be relayed to you as soon as it is communicated to us.

****You can do your part to help us do our very best at this event by encouraging your sons and daughters to practice their parts regularly at home.**

As we will be traveling by bus to the event, students must turn in a Band Emergency Medical Form in order to participate. If your student has not turned in an updated EMA for this school year to the band, one of those forms is attached to this letter and is due along with the tear-off slip at the bottom of this page.

Note: Participation in this event constitutes a large part of students' grade. Students who are excused or unexcused from this event will be asked to complete a make-up assignment to earn the points missed. If rides are needed please indicate this on your tear-off slip.

The tear-off slip at the bottom is due back to the band office on January 13th. Students will receive a grade for turning this slip back in on time.

I have read the "Large Group Adjudicated Event" information sheet.

Student Name: _____

Parent Signature: _____ Date: _____
