MINERVA LOCAL SCHOOLS
MINERVA BANDS
CONCERT MARCHING JAZZ

What To Expect for Next School Year:

Dear Minerva High School Band Parents & Students,

All students interested in participating in marching band **must** complete a tryout by the end of the school year with a band director. RG Drage and Post-Secondary students can sign up for an after school tryout time in the Minerva High School main office.

Please take note of the Band Code of Conduct included in this packet which includes an attendance, tobacco and chemical policy. This has been board approved and is similar to the Athletic Code Of Conduct. These policies and consequences will remain in effect this coming season.

The forms attached to the back of this packet ***must be completed and returned by the last day of school.*** (Non-marching students do not have to complete the band camp form). All fees must be paid before we leave for band camp.

There will be a *mandatory meeting for new marching band members and parents on Monday, July 15th* in the high school band room. This is an important meeting that will discuss fee requirements and about borrowing a band uniform.

Concert band students not participating in marching band will have study hall first semester during marching band season. Concert Band band rehearsals will begin second semester in November.

Please review the enclosed schedule and notify Mr. Maxey directly as soon as possible about potential conflicts at his e-mail maxeyd@minerva.sparcc.org. You can also call the band office at 330-868-4134 x1220. Also include information regarding special arrangements for band camp including late arrival or other conflicts such as athletics.

Band Fees

Band fees are used to keep our uniforms clean throughout the season and pay for band polos, gloves, and uniform bags as well as other items needed to repair the uniforms.

First Year Marching Band **\$260**

Upperclassmen Marching Band **\$200**

*Due before band camp.

Non-Marching **\$50**

*Due no later than Oct 1st.

BAND RULES, REGULATIONS, AND POLICIES

A.) ATTENDANCE POLICY

I. Students in marching band are required to attend all practices and performances to be eligible for participation. Students who miss practice for an unexcused reason will be ineligible to perform at that week's football game or band show. Excused absences include personal illness or death in the family. Excused absences may also include involvement in other school-related clubs, sports or activities including personal involvement in county fairs. All excused absences are at the discretion of the directors and must be submitted promptly in writing by a parent or guardian. Multiple unexcused absences and the student will be denied the opportunity to participate in marching band activities for the remaining school year. Students who miss a football game or band show for an unexcused reason will be ineligible to perform at the following week's football game or band show. Multiple unexcused absences from performances will lead to removal from the marching band.

B.) CHEMICAL POLICY

Students in marching band will be required to submit to a random drug screen to be eligible for participation. The goal of this policy is not to "catch" students using illegal chemicals but to help students have additional compelling reasons not to use chemicals.

The drug screening will be administered two times during the fall season. Should a student test positive to the presence of an illegal substance, the band code of conduct will be followed. Should guardians request an appeal, a second test can be administered at the guardian's expense. The school district reserves the right to reject the results if the administration of the second test is not conducted by a school-approved provider. There will not, however, be an abeyance of consequences while waiting for the results of the second test. The consequences may be removed when the clean results of the second test are approved.

I. Possession of, use, or under the influence during activity of, or testing positive for an illegal substance:

A. First Offense

If the student was in possession or under the influence of during practice or a performance, the student will be denied the opportunity to participate in the event for its duration and will be suspended from school for a period of 10 days. If the student is not in possession of, or under the influence of, but tests positive for an illegal substance in their system, that student will be denied the opportunity to participate in the activity for the duration of the season. In the event the student agrees to a professional assessment, (at personal expense), and that student successfully participates in an insight program, he/she will experience a reduced consequence; denying participation in that activity for 10% of the scheduled performances. In the event 10 percent of the events are not remaining, denial of participation will carry into the next season in which the student participates. In the event there are no performances remaining in a student's career, as in the case of a senior, out-of-school suspension will be administered.

B. Second Offense

The student will be denied the opportunity to participate in the activity for the remainder of the season and the student could be suspended from school for a period of 10 days (possession of or under the influence). In the event the student agrees to a professional assessment, (at personal expense), and that student successfully participates in an insight program, he/she will be denied participation in marching band for 30 percent of the scheduled performances. The guidelines for denial of participation will be the same as stated in (A,2).

C. Third Offense

The student will be denied the opportunity to participate in marching band activities for one calendar year.

D. These offenses will accumulate during their entire high school band participation.

B.) TOBACCO USE/POSSESSION

Any confirmed violation of this policy will result in immediate disciplinary action. Possession or use of a tobacco product at any time during the season will result in the following:

A. First Offense

The student will be denied the opportunity to participate in the activity for its duration and could be suspended from school for a period of 10 days. In the event the student agrees to successfully participate in a smoking insight group, he/she will be denied the opportunity to participate in marching band for 10 percent of the scheduled performances. In the event 10 percent of the performances are not remaining, denial of participation will carry into the next season. In the event there are no performances remaining in a student's career, as in the case of a senior, out-of-school suspension (A,1) could be administered.

B. Second Offense

The student will be denied the opportunity to participate in the activity for the remainder of the season.

Same as (A,2) except the student will be denied participation for 30 percent of the scheduled contests.

C. Third Offense

The student will be denied from participating in marching band for the remainder of their high school career.

D. These offenses will accumulate during their entire high school band participation.

Game Day!

The Marching Band takes pride in being the #1 supporters of our varsity football team. Here are a few tips to help the band work most effectively at these events:

“If You’re On Time You’re Late”

Plan for the unexpected and always arrive early to all marching band events. You never know when you’re going to run into traffic, car trouble, or may have to go back to get something you forgot. Plan on arriving at least 10 minutes early than the posted time.

Stay On The Job

At games we have a job to do: performing great music to encourage the team and the fans. Stay at your post in the stands with your instrument, always ready to play at a moment’s notice. Please tell non-marching band friends you will talk to them 3rd quarter, they are not permitted in or around the band stands.

Uniformity Is The Key

The special part about the marching band is the uniform nature of it’s members. The uniform is formal attire. Make sure long hair is pinned up when wearing the hat and please no face paint or over-sized piercings.

Respect

All band staff and chaperones should be treated with respect. Students who break band rules will lose their third quarter privileges.

Field Clean Up

Our biggest fundraiser of the year is the home football game concession stands. Part of this fundraiser involves cleaning up the stadium on the Saturday after each game. Every band member is required to participate in this fundraiser once per year. The responsibility is split up so each band member is only responsible for attending one Saturday. Please note that participation is required for students to receive full credit for marching band, a Physical Education Waiver and receiving a letter for marching band.

Please mark this date on your calendar, and notify Mr. Maxey immediately of potential conflicts.

Field Clean-Up Schedule

Drum-Line - Saturday after First Home Game
Seniors - Saturday Second First Home Game
Juniors - Saturday after Third Home Game
Sophomores - Saturday after Fourth Home Game
Freshmen - Saturday after Fifth Home Game
