Instructions:

Set: 4 Count:

The image shows a large grid of graph paper. The grid is approximately 20 columns wide and 30 rows high. Faint, handwritten numbers are visible in the top-left quadrant, starting from 10 in the first column and increasing to 40 in the fourth column. The numbers are arranged in a roughly triangular pattern. In the bottom-right quadrant, there are several vertical columns of small dots, each column containing approximately 10 dots. The dots are arranged in a way that suggests a pattern or a specific drill exercise. The grid lines are thin and light gray.
